Douglas Park Community Day

On Saturday, June 11, we will be hosting Douglas Park Community Day. It promises to be a great outdoor community event featuring stage performances, class demonstrations, inflatables, games, family fun activities, community booths, playground renewal fundraising concession and more.

Sponsors help support us in creating greater awareness, appreciation and enjoyment of community celebrations. Contributions from sponsors are used to help pay for the operating costs of hosting an event and with an estimated 2000 people attending, it will be an excellent opportunity for local businesses to meet their community.
