

# Douglas Park Licensed Preschool 2017 - 2018

Douglas Park Preschool strives to provide high quality, affordable and accessible child care to all children and families. The Douglas Park Preschool classes provide children with an environment that fosters a well-rounded social, learning, experience in a fun and safe space. Our enthusiastic, caring, ECE Licensed Professionals provide a warm, nurturing environment for children to play, learn and grow in.

The preschool program follows an Emergent Curriculum philosophy, it is play-based with programming initiated by the children's interests.

The program encourages exploration and creativity in a fun, stimulating environment through, art, music, dramatic/creative play and outdoor play. Other skills children will learn through social play within the classroom are math, science, creativity, literacy and language and problem solving. These skills are learned in the block area, at circle time, at free art and free play time.
